

Terms & Conditions

Last Updated: 15 September 2026

Welcome to Grehni. By accessing or using our website, platform, or services, you agree to these Terms & Conditions.

1. Use of Services

Grehni provides AI-powered technology for intelligent environments, automation, monitoring, and data-driven insights. You agree to use our services only for lawful purposes.

2. AI & Automation

Grehni may provide AI-generated recommendations and automated actions. These may not always be accurate. Users should not rely on Grehni for emergency, medical, safety-critical, or life-critical decisions.

3. Data

Grehni may process environmental, device, telemetry, and other information required to provide its services. Personal data will be handled according to our Privacy Policy and applicable laws.

4. Third-Party Devices

Grehni may integrate with third-party devices, APIs, sensors, and services. We are not responsible for failures or changes caused by third-party products or services.

5. Intellectual Property

All Grehni software, technology, branding, content, designs, and intellectual property belong to Grehni or its licensors and may not be copied or used without permission.

6. Service Availability

We do not guarantee that the Services will always be available, uninterrupted, or error-free.

7. Limitation of Liability

Grehni shall not be liable for losses resulting from technical failures, inaccurate data, device malfunction, connectivity issues, or reliance on AI-generated information, to the extent permitted by law.

8. Changes

We may update these Terms from time to time. Continued use of Grehni after changes means you accept the updated Terms.

9. Governing Law

These Terms are governed by the laws of India. Courts in Jaipur, Rajasthan shall have jurisdiction, subject to applicable law.

By using Grehni, you acknowledge that you have read and agreed to these Terms & Conditions.

1. AI DISCLAIMER

Last Updated: 15 September 2026

Grehni uses Artificial Intelligence, machine learning and automated technologies to provide insights, recommendations and intelligent environment solutions.

AI-generated information may sometimes be inaccurate, incomplete or unexpected. Users should independently verify important information before relying on it.

Grehni should not be used as the sole basis for medical, emergency, fire, security, life-safety or other critical decisions.

Grehni does not guarantee that AI-generated outputs will always be accurate, reliable or suitable for a particular purpose.

By using Grehni, you acknowledge these limitations.

2. DATA PROCESSING / DATA PROTECTION POLICY

Last Updated: 15 September 2026

Grehni may collect and process information required to operate and improve its website, platform and services.

Depending on the services used, this may include:

- Account information
- Device information
- Environmental data
- Sensor and telemetry data
- Usage information
- Technical and diagnostic information

We use data to provide, maintain, secure and improve Grehni services.

We take reasonable measures to protect information against unauthorized access, misuse, loss or disclosure.

Personal data will be processed in accordance with applicable laws and our **Privacy Policy**.

For privacy-related requests, contact us at **[Official Email]**.

3. ACCEPTABLE USE POLICY

Last Updated: 15 September 2026

You agree to use Grehni responsibly and lawfully.

You must not:

- Use Grehni for illegal activities.
- Attempt unauthorized access to our systems.
- Disrupt or damage the website or platform.
- Upload malware or harmful code.
- Abuse APIs, automation or connected systems.
- Copy or misuse Grehni technology.
- Use Grehni to violate another person's rights.
- Attempt to bypass security or access controls.

We may restrict or terminate access where misuse or security risks are identified.

4. SECURITY POLICY

Last Updated: 15 September 2026

Grehni is committed to protecting its systems, users and data.

We may use appropriate technical and organizational measures including:

- Access controls
- Authentication mechanisms
- Encryption where appropriate
- Monitoring and logging
- Security updates
- Infrastructure protection
- Backup and recovery procedures

However, no internet-based system can be guaranteed to be completely secure.

If you discover a potential security vulnerability affecting Grehni, please report it to:

Security Email: [Security Email]

Please do not publicly disclose or exploit a vulnerability before allowing us reasonable time to investigate it.

5. IoT & DEVICE DISCLAIMER

Last Updated: 15 September 2026

Grehni may connect with sensors, IoT devices, smart appliances, APIs and other connected technologies.

Device readings and system responses may be affected by hardware limitations, connectivity problems, incorrect installation, calibration, software issues or third-party services.

Grehni does not guarantee that every third-party device will remain compatible or operate continuously.

Grehni should not be used as the sole safety mechanism for fire, gas, electrical, medical, security or other life-critical systems.

Users remain responsible for appropriate installation, maintenance and independent safety systems.

6. REFUND & CANCELLATION POLICY

Last Updated: 15 September 2026

If Grehni offers paid products or services, applicable pricing, subscription, cancellation and refund terms will be displayed at the time of purchase.

Unless specifically stated otherwise:

- Subscription services may be cancelled according to the applicable subscription terms.
- Refund eligibility may depend on the product or service purchased.
- Payments for completed services may not be refundable.
- Approved refunds will generally be processed through the original payment method.

For refund or cancellation requests:

Email: [Official Email]

Grehni reserves the right to update pricing and applicable payment terms with appropriate notice.

7. USER AGREEMENT

Last Updated: 15 September 2026

By creating an account or using Grehni, you agree to use the platform responsibly and in accordance with our Terms & Conditions and applicable policies.

You are responsible for:

- Providing accurate information.
- Protecting your account credentials.
- Maintaining appropriate access to connected devices.
- Using the platform lawfully.
- Reviewing AI-generated information before important decisions.
- Ensuring that you have permission to connect or control any device or environment.

You must not use Grehni to access systems or devices without authorization.

Violation of this Agreement may result in suspension or termination of your access.
